Please update all information as requested below.

Name of Directors:

List all directors separately, noting qualifications. Indicate whether or not there has been a change since your last renewal.

No.	Name of Director	Qualifications (Registered Architect or Engineer) Please indicate discipline and state(s) where registered.	Years of service with TPIA.	Is this a change from last renewal?

Name of Current Employees:

List all employees separately, noting qualifications. Indicate whether or not there has been a change since your last renewal.

No.	Name of Employee	Qualifications (Registered Architect or Engineer) Please indicate discipline and state(s) where registered.	Years of service with TPIA.	Is this a change from last renewal?	Is the employee full-time or part-time?	Is the employee on contract or on the company's payroll?

[illegible]

780 CMR R3.11.8 requires each third party inspection agency (TPIA) to provide an organizational chart showing management and supervisory personnel including graduate engineers and architects, names of all consulting engineers or architects and whether such employees or consultants are full or part time.

Has an organization chart been submitted by your company?	Yes	No	Please indicate the date of the latest revision to your company's organization chart.
If the answer to this question is no, or if your company's organizational structure has undergone changes since your last renewal, please attach a current organization chart to this application			

780 CMR R3.113 recommends each third party inspection agency (TPIA) provide a training program to ensure that all inspectors, evaluators and other technicians are properly educated to perform all assigned tasks. Has your company instituted such a program of education?	Yes	No
--	-----	----

780 CMR R3.11.11 requires each third party inspection agency (TPIA) to provide an outline of general procedures for the supervision of inspectors and evaluators including methods of checking and evaluating their work. Has your company submitted such general procedures? If no, please attach procedures to this application.				Yes	No	Please indicate the date of the latest revision to your company's general supervisory procedures.	
Please indicate the codes to which in-plant, manufactured building product inspections are made, citing reference year and edition.	Building	Plumbing	Mechanical	Electrical	Handicapped Access	Other	
<p>If approved by the Board of Building Regulations and Standards (BBRS) in writing, 780 CMR R3.3.2.2(d) allows third party inspection agencies to entrust the affixing of building or building component labels to a specific individual or individuals at a particular manufacturing plant. Has your company requested and received approval for this purpose? If yes, please list the manufacturing plants and individual(s) entrusted below. Also, affix of copy of the BBRS approval to this application.</p>							
Manufacturing Plant Name	Plant Address		Entrusted Individual(s)			Phone Number
